A U. S. Marine, stationed at Camp Lejeune in North Carolina, narrowly missed death here early Sunday morning when his car side swiped the safety island at Lake St., and sped off.

Officer William Taylor who saw the accident ran toward the car when it hit but it suddenly started up and sped off down Milton St.

Taylor notified headquarters and then pursued the vehicle thinking the driver to be injured.

Officer William White and Arthur Guarente in cars seven and eight were also sent on the chase. The car was stopped on Milton St., near Brooks ave.

The marine, Robert Bartlett of Pine St., Franklin N. H., was taken to the station for questioning and was held for driving under the influence.

## Fitzpatrick Names Assistant Sheriff

Sheriff Howard W. Fitzpatrick of Middlesex County announced today the promotion of his administrative assistant, Robert M. Chenevert, to the post of Special Sheriff of Middlesex County.

In making this announcement Sheriff Fitzpatrick stated, "The citizens and voters of Middlesex County have clearly demonstrated that they want the affairs of the Sheriff's Office directed during the next 6 years in the same sound and intelligent manner that characterized my administration during the past year. In order to carry on the many and varied duties of my office, with its two main institutions situated 20 miles apart, I must have the services of a competent and qualified assistant."

"Mr. Chenevert is a career man in county service. He served for many years as clerk of the East

More than 1,000 Arlingtonians gathered at the unveiling last Sunday afternoon of a plaque honoring the late Police Lieut. Daniel P. Barry, who organized the Arlington Youth Association and was well known for his work with youngsters.

The bronze memorial plaque is on a large boulder at Medford and Warren sts. in East Arlington near the Mount Pleasant Cemetery. Lieut. Barry died two years ago. His widow, Mrs. Laura Barry, and his father, John Barry, assisted at the unveiling.

Among the speakers were Frank Linsing, chairman of the event; Joseph Purcell, chairman of the Board of Selectmen; Police Chief Archie F. Bullock; William J. Sinclair, president of the auxiliary of Arlington Post No. 39, A. L. Judge; Frank Breen, commander of John E. Fenton, past president of the Massachusetts Elks Association; Horace Homer, district commissioner of the Boy Scouts; Eugene Carver, Metropolitan district deputy of the Elks. Rev. William Linehan of St. Agnes' Church gave the invocation and Rev. John Nicol Mark of the First Parish Unitarian Church, the benediction.

## Purcell Seeking Recount Of Votes

During the past week, Joseph A. Purcell, of Arlington, defeated Democratic candidate for State Senator in the Sixth District, filed recount petitions in every ward or precinct in the District. Including Arlington, Winchester, Woburn and four wards in Medford. If the Arlington petition is approved tomorrow evening (Friday) by the Registrars of Voters, a date for the recount will be established at that time.

Purcell had been defeated in the November 7th election by Robert T. Campbell, of Medford, by a 1,045-vote margin for the entire District.—Campbell with 27,192 and Purcell getting 26,147.

The reason for the recount petition is the Medford situation, where Campbell received 10,424 votes against Purcell's 6670—a majority of 3754 votes. The four wards are Republican, but Campbell being a Medford resident should have and very likely did bring him a considerable "favorite son" support among Medford Democrats. However the Purcell backers stress that Governor Dever, Democrat, carried these four Republican wards by about 1000 votes while Purcell, a Democrat on the same ticket, trailed by almost 4000

votes—a differential of 5000 votes on the same political ticket.

On the other hand, Arlington, a Republican community, gave Purcell the nod over his Republican opponent by a majority of 3218—11,769 for Purcell. In the same election Dever lost Arlington by nearly 500 votes.

Mr. Purcell stated that he will request priority in the Medford recount, and, if the results show the original count to be substantially correct, he will withdraw the recount petitions in the other three communities.

The Sixth Senatorial District has been undoubtedly Republican and withstood the Truman sweep in 1948. The last Democrat to be Senator from this District was the late Charles T. Daly in the thirties, but, at that time, all of Medford was a part of the District. The following year, the county was redivided, and the Democratic part of Medford was assigned to the already Democratic Somerville, the four Republican wards of Medford remaining in the Sixth District. This year, the Democrats believed the Sixth District to be a fighting ground, and the campaign consequently became a hot one.

## Merchants Aiding Fine Arts Series

Many Arlington merchants, realizing the value of the Fine Arts Programs to Arlington youth are helping with the expenses of the program by buying advertising space in the programs.

The list of merchants is as follows: Arlington Five Cent Savings Bank, Arlington Dye Works, Mirak Chevrolet, Arison's Shoe, Johnny's Oil Co., S. S. Kresge, Playtime, Mlle. Juliette Heule, Koford's, Belden Snow, Harold's Shoe, Shop Unique, Doctoroff's Pharmacy, Circle Super Market, Dewey's Lunchette, Bett's Nook, Arlington Storage Warehouse, Bob Spence Oil Co., Arlington Hardware, Hutchinson's, Leo Litwin, Mez-zocca School of Music, First National Stores, Gahn & Erickson, H. W. Shattuck and Co., Scott Flowers, Menotomy Pharmacy, Colonial Motors of Arlington, Arrow Motors, Curry School of Dancing and the Arlington Academy of Music.

The first program in the Fine Arts series will be presented at the Junior High School East Auditorium on Friday, Nov. 17th at 7:30 P. M. and on Saturday Nov. 18th at 2:30 P. M. at which time the Tributary Theatre Players of Boston will present "Aladdin".

Adult and children's tickets for the Fine Arts Programs may be obtained at Farrington's Record Shop in the center. Mr. Farrington has a beautiful window display advertising these presentations.

Following is a review of "Aladdin": This dramatization of the old fairy tale from the Arabian Nights is written by Estelle Ritchie, former director of TRIB's Children's Theater. It is one of the most popular plays ever to be presented in the Children's Theater, for the audience takes as active a part in the play as the actors on the stage.

The Chinese Stage Manager, played by Matt Horner who designed the scenery, begins by asking questions of the audience—to which the young people invariably give the correct answers—and this audience participation continues until the curtain comes down on the last act.

The scene of "Aladdin" is laid in China, long ago. First we see Aladdin's shop where he lives with his mother and works on "little things". Near the shop is a curious flat rock with a ring in the top and no one can lift the rock until the Magician appears one day and persuades Aladdin, by giving him a

## Local Campaign Reaches Half Way Mark, Far Below Quota

## Auto Rate Added Gifts Requested During Final Week Of 1951 Drive; Town 28th Of 48 Communities

While residents of many communities in Massachusetts were seething today as the result of the increase in the automobile insurance rates, Arlington residents had no cause for complaint.

The Arlington rate was announced as \$28.50 for the coming year, while the 1950 rate was \$29.10. Thus automobile owners here will save fifty cents per thousand for the coming year.

Generally, communities saw the rate jump, as the larger cities had vast increases. In Worcester, for example, the rate went up a total of \$7.80.

### Appreciation

My sincerest thanks to the voters of the 25th Middlesex District for the many votes received in support of my candidacy for re-election to the House of Representatives.

I wish to thank publicly the many friends who worked in my behalf during the campaign.

Joseph F. McEvoy Jr.

### Annual Fall Carnival At Kelwyn Manor

The annual Fall Carnival for Kelwyn Manor residents was held in the Hardy School Auditorium last Thursday night, and it turned out to be a whale of a party.

The committee in charge, consisting of Chairman Bob O'Neil, Mrs. Doris O'Neil, Mrs. Frank Hanrahan, Mrs. Ernest Ward, Mrs. Elinor Hough, and Mrs. Ruth Williams, provided a rewarding evening for the 150 people present.

The festival dinner was catered by Wilfred Whitman, and the music was furnished by Leo Hannon's Orchestra, with Ted Sanella calling the square dances, from a stage suitably brightened up for the occasion with red and yellow floral decorations supplied by Tony Tiberi.

There was both modern and square dancing, and the prize for waltzing was won by Bob O'Neil and Miss Walsh.

Mr. Ernest Ward demonstrated his admirable skill and amazing versatility in theatrical make-up by regaling the throng with the sight of George Lowder, Jr., as Uncle Sam; Ed Kane as Charles Evans Hughes; Bob O'Neil as Mae West (the PRESS wouldn't have believed it either); and Tony Tiberi as a tramp.

A climax of epic proportions was reached, however, when Joe Enos brought down the house with the slickest buck-and-wing dance since "Oklahoma!" hit the boards back in 1943.

A turkey bridge whist party will be held for the benefit of the St. James Building Fund at St. James Hall on November 21 at eight pm. Mrs. Sarah Connolly is chairman of the event, assisted by Mrs. Kathleen Cuneen, Miss Anna Haney, Mrs. McCarthy, Mrs. MacMurray, Mrs. Lansing, Mrs. Coleman and Mrs. Quinn.

Reports from all precinct captains reveal that as the Red Feather campaign enters its final week Arlingtonians have contributed but 50 percent of their 1950 quota.

Although somewhat encouraged by the jump from 21 percent to 50 percent in a week's time, campaign officials now feel that they will miss the 100 percent mark and seasoned observers are forecasting that Arlington will hit but 76 percent of its goal.

All of which is bad news to Red Feather hospitals, visiting nurses, youth leaders and the social service agencies that are dependent on Community Fund financial support.

And, even worse, the forecast is particularly bad news to a lot of kids, to many of our aged and infirm and to those in this and neigh-

boring communities who find it necessary to seek health services that are provided by Red Feather clinics.

It is even going to be pretty rough for a lot of Boy Scouts, Girl Scouts and Campfire Girls according to Daniel B. Tierney, Chairman of the Arlington drive who is reading his army of volunteers for a last ditch drive toward the goal.

As things stand at the moment Arlington holds 28th place on the list of 48 towns and cities involved in this campaign. Woburn is first with more than 98 percent of its goal already reached.

In a last minute appeal Chairman Tierney called on Arlingtonians who have not as yet given to do so. And—to put it in the words of one volunteer solicitor,

"If you have already given, how about breaking down and giving another buck. It'll make Arlington look a lot better to its neighboring towns. And it'll make the future look a lot brighter to many of our less fortunate neighbors."

"You can send that dollar to Red Feather Headquarters in the Old Town Hall or you can call Ar. 5-5641 and they will have somebody drop around and pick it up.

## Falls Asleep: Injured When Car Crashes

William Craig, 67 Bow st., Arlington was seriously injured early Saturday morning when he reportedly fell asleep at the wheel of his car on the Concord Turnpike and crashed into a pole.

A passing motorist saw the Craig car and investigating, discovered the injured man behind the wheel. The motorist took Craig to the Police station.

Police rushed the man to the Symmes Arlington hospital where it was reported he suffered from a fractured right wrist, contusions of the left knee, arms and face.

Police reported that Craig had dozed off as his car was travelling east on the Pike near Spring st. The car went out of control and struck a pole on the side of the road.

J., of Boston College, in the Charter Room of New England Mutual Hall, Copley Sq., Boston, on Tuesday, Nov. 21, at 8:15 p. m., under auspices of the Campion Club.

There was a remarkable spirit of cooperation amongst the students and keen interest in the project was shown.

## Final Day For New Legislation Is December 6

Representative Henry E. Keenan notified the Arlington PRESS that December 6th, 1950 is the last day for filing legislation for the 1951 session of the General Court. Any one who desires to propose legislation to be acted upon should notify his Representative or Senator early to assure prompt action on his legislation.

Representative Keenan has already filed three bills for traffic improvements around Arlington calling for the building of an overpass, underpass or traffic circle at the junction of the Alewife Brook Parkway and Broadway and one at the junction of the Alewife Brook Parkway and Mass. Ave. A third bill calls for the building of a new roadway on the Medford side of the Mystic River to continue the flow of traffic along the River coming down from Winchester and Woburn and to keep it from coming into Arlington.

Keenan has also filed two bills that he filed previously calling for the extension of the Cambridge subway to West Cambridge and the transfer of the balance of M. D. C. land at the rear of the Alewife Brook and Concord Turnpike to the M. T. A. for terminal purposes.

## Reduce Costs Of Insurance Thru Safety

Boston—Close on the heels of the recent rejection of the flat rate proposal Massachusetts drivers today were offered an individualized plan by which they can reduce automobile insurance costs through membership in social and fraternal organizations, church groups, labor unions, civic, youth or school associations and clubs.

Offered by Liberty Mutual Insurance Company, the plan is based on the theory that accident prevention is the only way to reduce automobile insurance costs and that the thousands of Massachusetts drivers who are active in civic, social and youth activities, labor unions and similar groups can spread the highway safety message through that membership.

In urging that Massachusetts motorists bring the Liberty Mutual plan to the attention of clubs and organizations in which they hold membership, S. Bruce Black, president of the company said, "Accident prevention is a job of education and there is some part of that job that every person in Massachusetts can do. It may only be a small job but if sincerely carried out, the effect of all those small jobs by individuals can reduce accidents and bring down costs of automobile insurance."

The Liberty Mutual plan, a newly created part of the company's continuing accident prevention campaign, offers four types of high way safety educational material for elementary school students, adult groups and communities. The elementary school material is built around the company's colored sound-slide cartoon, "Peter and the Whifflehead, while the high school material includes a safe driving film and booklet on good driving habits.

For adult groups the company has prepared a club program package which includes a motion picture and a supporting program on safe driving.

At the community level, the insurance company offers a traffic accident prevention handbook and the assistance of its safety engineers in setting up community accident controls of the type that were established in Erie, Pa., Pawtucket, R. I. and Garden City, N. Y.

## Red Cross Seeking Many Volunteers

From every section of the Boston Metropolitan Chapter of Red Cross women are being urged to sign up as day-time volunteers for all of its services.

According to Mrs. Nathaniel T. Worthen, chairman of the Volunteer Services, "the far-flung activities of Red Cross are entirely dependent upon volunteers, women who can spare a few day-time hours, one day a week."

A vital Red Cross service in need of many more day-time volunteers is Motor Service. There are hundreds of children absolutely dependent upon this service for weekly transportation to clinics and hospitals for treatments. With cold and stormy weather not too far off the numbers needing transportation will increase.

The Red Cross Regional Blood Center at 314 Dartmouth Street depends on Motor Service volunteers for the transportation of blood to and from Greater Boston hospitals and the Center's emergency errands to railroad stations and airports, connected with the shipping of vitally needed blood and in the numerous other errands connected with the administration of a Regional Center.

Several local hospitals have increased their requests for trained aides to assist their graduate nurses in the care of patients. Red Cross Nurse's Aides, after a brief course, fit into a hospital program and relieve the graduate nurse of many minor duties that prevent her from assisting where highly professional training is required.

"here are innumerable non-nursing activities that Red Cross Gray Ladies perform in military, veteran and civilian hospitals," said Mrs. Worthen, "and the need for this all-important service which brings such happiness and cheer into a hospital, is growing tremendously. We can't possibly fill the number of requests we receive daily for this service, unless we have an increase in Gray Lady volunteers."

"Volunteers must be recruited and trained throughout Greater Boston if Red Cross is to meet the needs of servicemen, the national blood program and the entire community, through its many humanitarian services," state Mrs. Worthen.

Red Cross has need for volunteers in the Arts and Skills Service, in Canteen, Production and Supply and Staff Aides as well as the other services. Call the Boston Chapter at Kenmore 6-6226 or visit at 17 Gloucester st. for further information on any of the heart-warming duties.

## Dr. Daland Heads Cancer Society

## APPRECIATION

Through the columns of the PRESS  
I desire to thank all of those who  
voted for me on November 7th.  
**YOU WERE WONDERFUL.** To  
those who voted against me, you,  
too, were wonderful, because you  
exercised your right of franchise.  
You have rendered your verdict  
and I accept it graciously.

Political philosophy and integrity  
are twins, and will stand the test  
of time, and I firmly believe that  
if any man's convictions are honest  
and his principles sound, events  
will amply justify his opinions.

Again, my heartiest thanks to  
all for you and yours many bless-  
ings and the years 1951 and 1952  
bring to all the voters in Precincts  
1, 3 and 5, political contentment  
with immeasurable confidence in  
the men selected to serve you for  
the next two years.

**I'LL BE SEEING YOU, I HOPE**  
IN 1952.

Gratefully yours,  
Lee Carver Kitson, 11 Henry Ave.,

## Spy Ponders Click In Brilliant Win

By

**Frank Mahoney**

A rejuvenated Arlington high eleven defeated their 1949 class A co-champs, Lowell high, in a thrilling 19-7 rout at the Lowell Memorial stadium Saturday afternoon before an estimated 6500 fans.

### NOTRE DAME

The Arlington gridders, who only one week ago were pushed all over the Medford gridiron, resembled a fighting Notre Dame team in the

long awaited clash between the two "49" co-champs.

The Spy Ponders led by Paul Salisbury and Don O'Brien ran the Lowell eleven ragged, pushing and slamming them all over their own field. "Red" Salisbury played the best game of his scholastic career, scoring one of the three Arlington touchdowns while running and tackling like a college back.

### NEAR RIOT

Arlington scored early in the first period and again in the second period before the Lowell team could get up any steam. When Lowell did get the ball and start downfield, Lekites, left half back, tried for a first down on the fifty. The referee said he did not make it and the fans screamed for a measurement. The Ref placed the ball sideways and the measurement taken, the ball was given to Arlington.

The Lowell fans let loose with a barrage of papers, words and everything else handy. The officials had to be taken from the field at the half under strong police protection.

Whatever it was Coach Tozlow-ski did, he put a new team on the field Saturday. The Red and Gray put on a show that was unparalleled in their 1950 history. The team romped up and down the field, crushing any Lowell men who got in their way.

Lowell scribes could only ask, "What happened last week?" If the Arlington club had played all year the way they did Saturday Arlington would be the 1950 champs.

### EARLY SCORE

Arlington won the toss and elected to receive. Paul Salisbury took the ball on the Arlington 20 and raced to the Lowell 45. Don O'Brien went to the 42 on the following play and then Kenealy backed to pass, finding himself trapped, ran back to the Arlington 40, reversed his field and went to the Lowell 40. Salisbury carried to the 32 and then went off his own left end to the Lowell 12. O'Brien carried to the 7 and then to the one foot line. On the next play twin Don O'Brien plunged over right guard for the first score. Charles Oppedisano missed the conversion and Arlington led, 6-0.

Lowell had the ball three times in the first quarter but never threatened.

### ONLY TEN MEN

The second quarter opened with Lowell in possession on that Arlington 49. After a pass attempt failed and Lowell was penalized 15 yards for illegal use of the hands, they kicked and Arlington took over.

The kick was taken on the Arlington 37 and Salisbury carried to

the Lowell 48 behind terrific blocking. On the next play Don O'Brien broke through the Lowell left guard and went 48 yards to clover. The attempt at conversion failed and Arlington led 12-0.

Lowell took over on their 31. Captain John Jelley went to the 34 and Lowell was penalized on the next play for delay of the game. Lowell quarterback Trouville faded and passed on the following play but Charlie Oppedisano leaped into the air and snagged the ball on the Lowell 35. He raced to the 26 where he was brought down.

Coach Ray Reddick of Lowell made some hurried substitutions and as the whistle blew for time in and Salisbury was tearing through the Lowell line into the secondary, Reddick discovered he only had ten men on the field. Five tacklers piled on Paul Salisbury at the 10 but he shook all of them off and went over for another Arlington score, making the board read Arlington 19, Lowell 0.

### FANS WILD-ARLINGTON MARCHES

The scoring ended for the first half but the excitement did not. Lowell took the ball on the ensuing kickoff and started on their first march of the day. The ball received on the Lowell 29 was lugged to the Arlington 42. Then Trouville attempted a pass which was intercepted by Don O'Brien, who romped to the Lowell 35. The play was nullified as Arlington had been offside. Then, with Lowell still in possession, Lekites went to the midstripe. With two down and two yards to go, Lowell tried a pass which failed and then Lekites tried a line plunge for a first down. He landed and the referee immediately signaled it was Arlington's ball.

The Lowell fans set up a howl and a measurement was made. When Lekites hit he had the ball sideways and that was the way it was measured. He had missed a first down by inches and the Lowell fans started a minor riot.

Arlington went on the march again with Salisbury going to the 42 where he was hurt. He was carried from the field with a bad ankle. Muello and O'Brien took over the lugging and went to the 14 where O'Brien was laid out. He was not hurt seriously and continued to play. Salisbury, recovered from his injury, was sent back into the game and he carried to the Lowell 3. Arlington was penalized 15 yards but the Arlington ball carriers worked back to the five as the half ended.

### LOWELL SCORES

Late in the third period Lowell staged its first real march and its only one, battling from their own 25 to the Arlington goal. Spaneas kicked the point and the score read, Arlington 19-Lowell-7.

### ARLINGTON'S BALL

In the fourth quarter Arlington held the ball for seven of the eleven minute period. They took the ball on their own 12 and marched downfield to the Lowell 13. Lowell took over on downs but on the first play

A pitchout acting like a boomerang went wild and Arlington recovered the ball on the Lowell 6. They got the ball to the 3 but could not complete a pass to score.

Sloan then carried for Lowell to the 25 but on the following plays Arlington pushed the Lowell club back to their seven where the game ended.

## SPOTS ON SPORTS

The PRESS picks as its players of the week; Linemen, Hayes and Azarian; Backfield O'Brien. The gold star of the week goes to Paul Salisbury for a magnificent show-ing.

Dick Kelley, star tackle who was injured in the Waltham game reported for duty all dressed at the Lowell game. His leg is healing nicely.

The head of the band at Lowell high is to be commended for the exhibition he put on both before the game and at the half. In honor of the dead a minutes silence was held while a bugler played taps followed by the Star Spangled Banner.

I wonder why the Arlington band never plays the National Anthem before the home games??

The Lowell stadium is a credit to the city. It is a beautiful structure and the Arlington team and fans must have thought they were playing in a college bowl.

The game was broadcast both over the radio and to the fans by means of loudspeaker.

The Arlington Scribes were in their glory in the huge Press box at the Lowell stadium. We do not expect Arlington to build such a costly structure but a roof would be nice.

This was the first time all year that we saw the confusion that can be caused by the new substitution ruling. At one time Lowell had ten on the field and at another twelve. The first costing them a touchdown and the second a five yard penalty.

The Arlington high team worked

out in hard contact scrimmage all week, for the first time this season. The results? A 19-7 win over Lowell.

Coach Toz had an interesting comment regarding the blast at his team last week. In retort to the remark he had an up and down team he said, "Class A Ball is just like college ball. It isn't that one team is up, but one is just plain better than the other. Medford beat us because they had a powerful team, a huge team that we could not cope with."

Note: The Arlington line is reported to be the heaviest in the State.
